Faculty Posting for Vincennes University

Assistant Professor of Electrical/Computer Engineering

Position summary

The Engineering Department, in the College of Science, Engineering, and Mathematics at Vincennes University, has a faculty opening at the Assistant Professor rank. The Department is seeking applicants to teach a variety of courses at the undergraduate level, including Electrical engineering, Computer Engineering, Computer Science and Physics. Beginning in August 2022, this is a full time, continuing, non-tenure track faculty position, with benefits, reporting to the Chair of the Engineering Department. This position has the potential to become tenure track.

Job Requirements/Experience

- Candidates must be able to teach a variety of Electrical Engineering, Computer Engineering, Computer Science and Physics courses in an open access college setting. The courses that the candidates are expected to develop and teach include but not limited to Linear Circuits, Digital System Design, Electronics Analysis and Design with Laboratory components. The candidates are also expected to teach undergraduate level programming languages including C, MATLAB, or PYTHON. Furthermore, the candidates should have interest and expertise to teach Physics courses and Laboratories ranging from technical to college level.
- Minimum qualification is a Master's Degree in Electrical Engineering, Computer Engineering or a Master's Degree and 18 graduate hours in Electrical engineering/Computer Engineering.
- Knowledge of assessment and data-driven decision making.

Skills/Abilities

The successful candidate must:

- be able to incorporate a variety of teaching strategies and technologies in the classroom.
- be able to encourage and assist new students to develop skills and confidence.
- be able to provide a challenging environment for the highly skilled student.
- possess excellent interpersonal skills.
- participate in activities for recruiting and retaining students.

Primary responsibilities

- Teach undergraduate and technical courses in engineering, computer science and physics.
- Serve as an academic advisor, and participate in related student success activities.
- Participate in recruitment and retention initiatives and activities.
- Participate in the development and implementation of assessment, including learning outcomes, at the course, program, college, and university levels.
- Participate in service, including serving on departmental, college, and university committees.
- Other duties as assigned.

VU's Promise

- A focus on premier learning and successful educational experiences for our students.
- Cultural opportunities and community services in a diverse, student-centered, collegiate atmosphere.
- Small class sizes.

- Professional work environment.
- Talented and committed co-workers.

About VU

Vincennes University, an Indiana public institution of higher education with campuses in the southwestern Indiana communities of Vincennes, Jasper, Fort Branch, and additional sites such as Indianapolis, is located on the banks of the scenic Wabash River in Indiana's first city, Vincennes. The Main campus is near sites such as the home of U.S. President William Henry Harrison and the George Rogers Clark National Historical Park, and is only an hour away from Indiana's third largest city, Evansville. The Vincennes Campus has six residence halls and a diverse collegiate atmosphere featuring major arts, athletic, and recreational facilities that attract students from 28 other states and 30 countries.

In addition to associate degree and certificate programs, VU offers select bachelor's degree programs. VU is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools. VU offers challenging work opportunities and a full range of employment benefits, including a comprehensive health plan, paid leave, and a retirement plan. Founded in 1801, VU is Indiana's first college and is the only college in the nation founded by an individual who would later become President of the United States. More information is available at www.vinu.edu.
