

Adjunct CNA or Nursing Clinical/Laboratory Instructor

The Nursing Department of the College of Health Sciences and Human Performance is seeking candidates for an adjunct clinical/laboratory instructor position. This instructor reports to the appropriate Department/Program Chair, provides clinical/laboratory instruction for students in a CNA course or nursing major including preparation of content, assignments, and evaluation of student clinical and academic progress. Interacts with health team members in clinical agencies to facilitate student learning and to promote quality-nursing care for clients.

Philosophy:

CNA or Nursing faculty are obligated to abide by and promote the mission, vision, and value statements of Vincennes University and the Vincennes University Nursing Department.

Principal Duties and Responsibilities:

The following duties and responsibilities are all essential job functions.

1. Contributes to the education of the CNA course or nursing program's students in his/her specific area of expertise according to an agreement between the department and the individual.
2. Participate in course/clinical/laboratory planning.
3. Counsel and be available to students outside of class via email, phone, etc. regarding academic/clinical performance.
4. Inform Department/Program Chair and/or other appropriate persons of student progress.
5. Interact professionally with health team members in clinical agencies as appropriate to facilitate student learning and to promote quality nursing care for clients.
6. Demonstrates respect for the dignity and personal worth of students.
7. Meet Emotional, Cognitive and Physical essential functions of the position.
8. Sign job description and mentor checklist for personnel file and submit to the appropriate chair

Minimum Knowledge, Skills, and Abilities Required.

1. Meets requirements set forth by accrediting agencies (HLC, ACEN, ISBN, ISDH), clinical agencies and Vincennes University. These academic criteria are the same as, or comparable to, that required for appointment as a full-time faculty.
2. NURS/NURP lab/clinical - BSN pursuing either qualified nurse education certificate, or master's degree in nursing. MSN Preferred.

CNA lab/clinical - RN with documentation of completion a "Train the Trainer" course for teaching adults
3. Previous teaching/clinical experience (3 years) desired.
4. Requires communication and interpersonal skills for interacting effectively with students, peers, and clinical agencies to provide an environment conducive to students learning.

Benefits: The candidate will not be eligible for benefits.

Interested applicants should submit a VU Application, cover letter, transcripts, and resume with contact information for three references to Human Resources at jobs@vinu.edu or mail to Human Resources, 1002 North First Street, Vincennes, IN 47591. Applications will be accepted until the position is filled. Interviews may be held concurrently with the advertising period.

While we sincerely appreciate all applications, only those candidates selected for an interview will be contacted. Please note the selected candidate will be required to submit to a criminal history background check. Vincennes University is an Equal Opportunity and Affirmative Action Employer.
